Sedgwick completes acquisition of York Risk Services Group

I am pleased to let you know that, after months of planning and having received regulatory approval, Sedgwick has finalized its purchase of York Risk Services Group. Today's news marks another exciting milestone in our remarkable growth story spanning the past 50 years.

York's customized claims solutions and expertise in managed care, pool administration, loss control and other specialties complement and enrich Sedgwick's market capabilities. With the close of this strategic acquisition, we are pleased to officially welcome York's 5,000 highly skilled professionals to the Sedgwick family, which now comprises nearly 27,000 colleagues across 65 countries! Together, we'll have greater capacity to support even more customers in their time of need, demonstrating on a broader scale how caring counts®.

Now that the transaction has closed, we can move forward with integrating the Sedgwick and York organizations into a unified team. You will hear more in the coming weeks regarding the details of our brand transition plans.

While many changes lie ahead for Sedgwick, our focus is clearly on our clients. Our top priority is ensuring that the programs we administer continue to produce outstanding results. We are fully committed to seamlessly providing those we serve with the exceptional support they have come to expect.

More details about today's news can be found in our press release, available [here](#). As always, please contact your Sedgwick client services representative if you have any questions. Thank you for your continued partnership.
