

Captives – Turning premiums into profits

Sometimes, a traditional insurance solution isn't the best fit or isn't an option. If that's the case, then let's talk captives. Sedgwick's captive insurance programs give you ownership, control and strategic solutions to help drive profits.

Captive management

Starting a captive is a labor-intensive process. We take on the challenge so you can focus on running your organization. With Sedgwick, you'll have a partner with the knowledge, the experience and the track record you can count on.

Key advantages of our services include:

- Access to fronting and reinsurance carriers
- Underwriting and program management
- Access to an established Bermuda captive cell facility
- Loss control services
- Claims management
