Count on Sedgwick around the world

Sedgwick is a leading global provider of technology-enabled risk, benefits and integrated business solutions. Our 27,000 colleagues, located in 65 countries, offer services designed to keep pace with the evolving needs of our clients and consumers. Millions of people and organizations count on Sedgwick each year when faced with unfamiliar situations that take them away from their normal course of work and life. We focus on mitigating and reducing risks and losses, keeping employees and organizations healthy and productive, protecting brand reputations and containing costs that can impact the bottom line.

Through a blend of our extensive owned operations and select, targeted local partnerships, Sedgwick's large-scale resources and on-the-ground response come together to ensure we are ready around the globe, able to move quickly to meet your needs. With a full spectrum of services, deep roots in a multitude of geographies and an approach tailored to unique regional customs and regulations, Sedgwick offers cost-effective solutions that allow you to centralize and simplify your global strategy.

There has never been a better time to partner with Sedgwick. We bring expanded resources, new opportunities and a fresh focus on what's next. For 50 years, Sedgwick has consistently developed innovative risk and benefits solutions that exceed clients' expectations. Today, we can meet the complex needs of more clients and take care of more individuals in more locations than ever before.

At Sedgwick, caring counts®. Taking care of people and organizations – from public and private employers, to insurers and their policyholders – is at the heart of everything we do. We provide the services and expertise you are looking for, wherever you are, when you need us most.
