Global Marine Specialists

We know marine insurance claims inside out. Whatever the loss and wherever it happens in the world, we have a local team of knowledgeable and trusted experts who can manage the claim.

The majority of claims we manage are insurance-related, but we also give advice or act on behalf of uninsured interest.

Sedgwick maintains one of the largest and most experienced marine claims operations in the industry and we offer efficient, competitive, consistent service capabilities. With over 200 dedicated marine experts worldwide, our professional expertise is unmatched, and

we are well-equipped to handle global supply chains, ever-changing marine regulations, environmental policies and diminished salvage resources. Through our global network of specialists with in-depth technical expertise, we can quickly assemble the right people in the right place to support any claim. With our global marine app, clients have quick access to our experts worldwide.

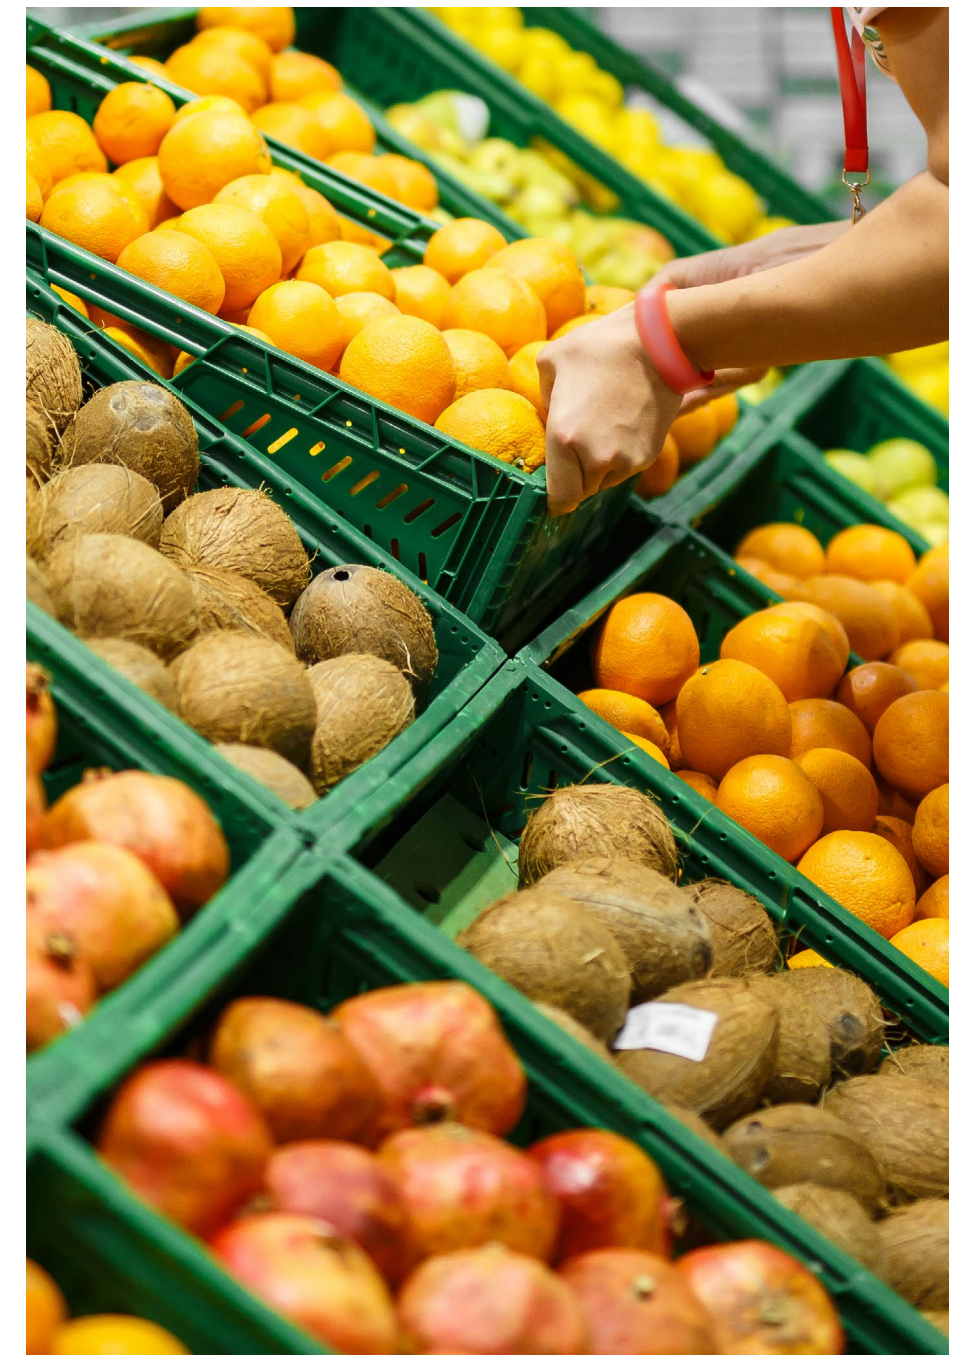

Our services

Our range of services are available to the insurance market, the logistics industry, carriers and traders, the legal professional and P&I clubs.

From within our global business, we provide additional resources, including expertise like engineering, which is amongst the best in the world. Our services include:

Our expertise

Our expertise isn't limited to the marine sector; our specialists work in all industries and sectors whilst our technology gives us a real advantage.

Our expertise also covers;

- Catastrophe response
- Liability and casualty
- Claims management and recovery
- Cyber
- Risk management
- Third party administration
- Loss control programmes
- Global programmes
- Fraud and theft investigations

Digital capabilities

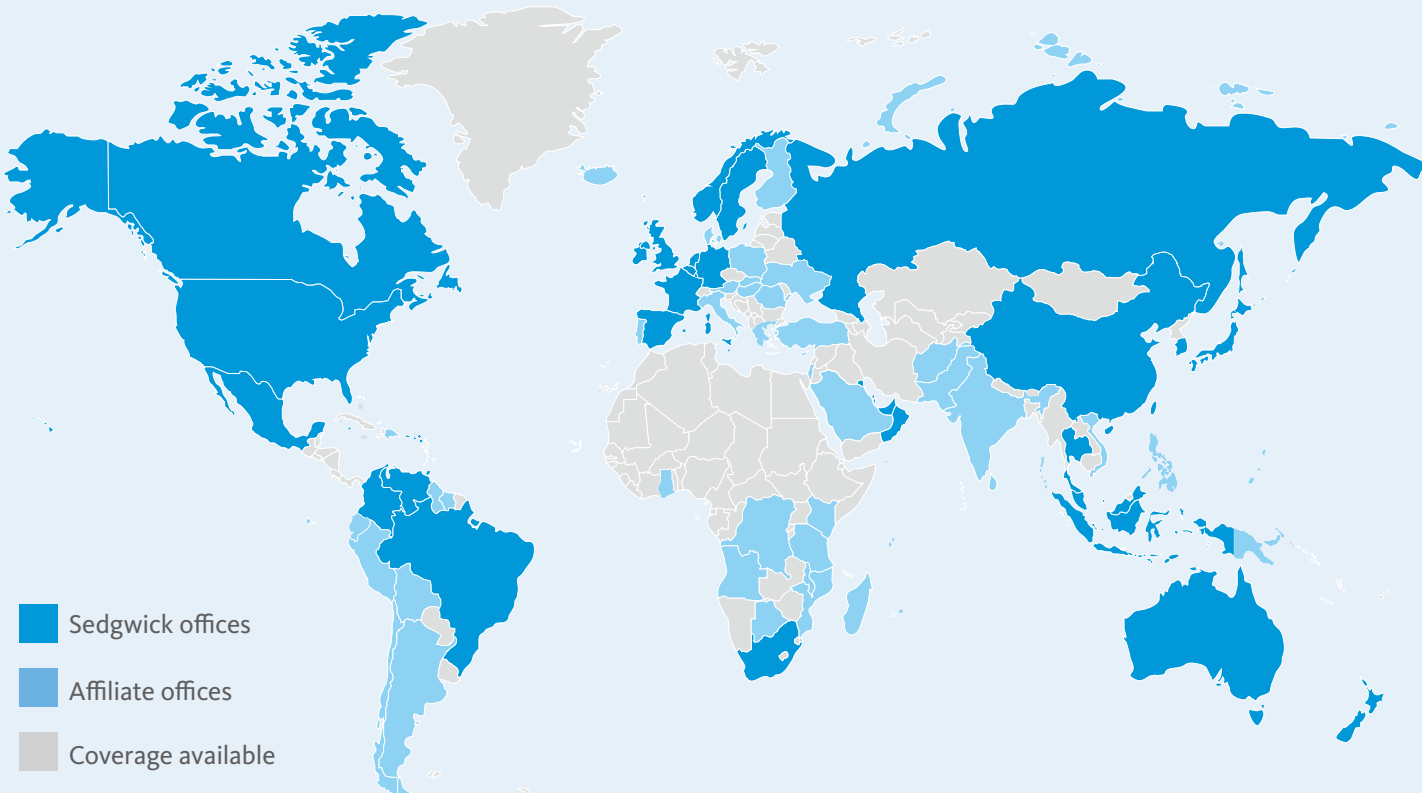

Alongside the expertise of our people, we also use technology to the best advantage:

- **Marine app**
Our app serves as a portal into our comprehensive range of services, offering access to our network of experts worldwide, as well as extensive support – before, during and after a marine claims. Download the 'Sedgwick Global Marine' App from the App Store or Google Play.
- **Digital claims services**
We use a number of different technologies to allow our adjusters to view or video a loss from their desktop. Stored securely and with the ability to record, zoom and annotate, our video adjusting capability reduces the need for on-site inspections.

Global network coverage

We are a truly global organisation operating in over 65 countries, offering a fast, efficient and consistent service from our operating platform of over 900 offices and more than 27,000 colleagues.
