Major and complex loss

When major and complex losses happen, there isn't time to lose while a claim is settled. Our team brings expertise, experience, world-class advice and cost-effective, fair claims handling to get your business up and running as quickly as possible.

Comprehensive claims services

Large-scale, major losses are by their very nature intricate, complex and full of challenges. Sedgwick is one of the world's leading loss adjusting companies, offering comprehensive technology-enabled risk, benefits and integrated business solutions. We are well-versed in taking care of our clients and consumers in the face of the world's largest and most complex losses. With responsive risk management, technical loss adjusting, and claims management expertise, we are ready to quickly respond to losses in any industry.

Our specialist groups have experience in major and complex loss management for a number of fields including:

- Aviation
- Business interruption
- Construction
- Energy/mining
- Entertainment
- Food and beverage
- Hospitality
- Manufacturing
- Public entities
- Real estate

Our claims experts have the technical skills and in-depth sector knowledge to mitigate and resolve claims. We understand your local culture, business and regulatory environment. In addition, ongoing professional development through formal training programs and mentoring ensures knowledge sharing between colleagues. We have a strong culture of hands-on learning, so our team always has access to someone who has been there and seen it before.

Global solutions, local expertise

With experts in 65 countries around the world and a full spectrum of services in casualty, property, marine, benefits, brand protection and other lines, we have the reach and knowledge necessary to quickly respond to your needs.
