

# Pool administration

4,000+  
public entities served

More than 4,000 public entities trust us to manage their pools. Roadmapping is key, and we help ensure your pool has a clear direction through annual goals, timelines, budgets and other initiatives.

We recommend coverages and services to address all potential exposures — even emerging ones like cyber. Sedgwick also manages everyday administration, so your members can focus on serving the public.

## Administration

From coverage design to meeting facilitation, we ensure that your pool is in good hands. Sedgwick's team of public entity professionals have the cumulative experience to manage your pool with consistency and compassion.

- Coverage design
- Financial services
- Strategic planning
- Claims administration
- Member services and communications
- Meeting facilitation

## Risk management

We're your risk management consultant. Understanding, identifying and addressing your exposures is of critical importance to us, which is why we stay one-step ahead of trends, opportunities and potential risks.

- Litigation management
- Risk control
- Underwriting
- Reinsurance consultation
